

BETHLEHEM NURSERY SCHOOL

REGISTRATION FORM 2014-2015

Philosophy:

Bethlehem Nursery School provides an atmosphere of warmth and loving care for children, fostering growth of positive self-esteem and trust. Each child is respected as a unique individual with special needs and talents. The program and staff will nurture each child's physical, social, intellectual and emotional development. Discipline is handled in a positive manner to encourage self-control while helping children to feel good about themselves and others. Our goal is to help children develop to their fullest potential.

Developmental Toddler Program

is designed to give children a chance to interact in a warm, relaxed environment. Exploratory art, dramatic play, block play/construction, songs, stories, discovery activities, small & large motor skill development and snack time are all provided in a guided free-choice setting.
